ALUMNI DIRECTORY
Washington University School of Law
St. Louis, Missouri

SECOND EDITION

JUNE 1982

INTRODUCTION

This is the second installment to the Law School Alumni Directory. The original plan called for semi-annual updating through supplements, but corrections to the first edition were so numerous that we have decided to completely revise the edition. Please discard the current contents of your binder and substitute the enclosed directory section by section.

The Alumni Directory is divided into three sections. The first section is an alphabetical listing of all graduates; the second section lists graduates by state; and the third section provides an alphabetical listing by year of graduation, including graduates of the Class of 1981.

The middle or geographic section contains the preferred mailing address of the graduate and a business or home telephone number. For most states, the listings in this section are arranged alphabetically by state. In states having a relatively large number of graduates, however, the listings are arranged alphabetically in zip code order. Users of the directory will be guided to the proper zip code in either the first (alphabetical) or the third (class) sections.

As noted in the introductory explanation to the First Edition, this loose-leaf directory represents the first attempt in over seven years to compile a comprehensive listing of our alumni. It has been our intention to utilize this format to accommodate changes, additions, deletions and corrections periodically. We are grateful to the many alumni who have pointed out errors in their own or other listings. Hopefully, your continued patience and cooperation will enable us to produce accurate and useful installments in the future.

All subscribers will receive four installments over the next two years at no additional cost.
